You should have received from the court a separate *Notice of the Hearing on Confirmation of Plan*, which contains the date of the confirmation hearing on the Plan proposed by the Debtor. This document is the actual Plan proposed by the Debtor to adjust debts. You should read these papers carefully and discuss them with your attorney. Anyone who wishes to oppose any provision of this Plan or any motion included in it must file a written objection within the time frame stated in the *Notice*. Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated. This Plan may be confirmed and become binding, and included motions may be granted without further notice or hearing, unless written objection is filed before the deadline stated in the Notice. The Court may confirm this plan, if there are no timely filed objections, without further notice. See Bankruptcy Rule 3015. If this plan includes motions to avoid or modify a lien, the lien avoidance or modification may take place solely within the chapter 13 confirmation process. The plan confirmation order alone will avoid or modify the lien. The debtor need not file a separate motion or adversary proceeding to avoid or modify a lien based on value of the collateral or to reduce the interest rate. An affected lien creditor who wishes to contest said treatment must file a timely objection and appear at the confirmation hearing to prosecute same.

The following matters may be of particular importance. Debtors must check one box on each line to state whether the plan includes each of the following items. If an item is checked as "Does Not" or if both boxes are checked, the provision will be ineffective if set out later in the plan.
